

EQUIPMENT LIST

Students are required to bring their own equipment to school in order to proceed with work in lessons as efficiently and independently as possible. They will also need to use this equipment when completing homework tasks. It is recommended that their pencil case contains:

- Black or blue biros
- Red pen
- HB pencil
- Highlighter pen
- Packet of colouring pencils
- Short / Long ruler
- Eraser
- Pencil sharpener
- Small scissors
- A glue stick
- A memory stick

Students need to be responsible for making sure they have the correct books and equipment for their lessons. They also need to look after their own equipment. They should not expect or rely on the teacher to provide it for them. Equipment checks will be carried out by form tutors on a regular basis.
