No badges of any description will be permitted. Additions to the uniform, eg. scarves, headwear, are not accepted.

Students will need a suitable size bag to carry all books and equipment.

Outdoor coats/non-uniform sweatshirts and tops should not be worn in the classrooms.

T-shirts should not be worn under polo shirts.

Cords-style, jeans-style, combat-style and skinny-style trousers are not permitted. Cotton or canvas material is not acceptable. All trousers should be tailored.

Sensible footwear is required. No trainers, sling-back shoes or open-toed shoes should be worn in school. Boots may be worn from winter half-term to the end of the spring term only.

Expensive coats should not be worn to school as the school cannot accept any responsibility for the loss or damage to such garments.

Outdoor coats must be in a sensible style, acceptable to the school. Non-uniform sweaters are not allowed to be worn around school as an alternative to the school sweater.

All students must keep their hair in a sensible style. No excessive styles are acceptable e.g. hair that is shaved, dyed in bright colours or cut in patterns.

Expensive or dangerous items of jewellery must not be worn to school. In a crowded building the school reserves the right to refuse to allow students to wear any items of jewellery judged to be inappropriate or dangerous. One safe inexpensive item of jewellery will be acceptable, with one pair of earrings. Nose studs/rings are unacceptable, as is all facial and body piercing.

Trends change from year to year. In the wearing of our school uniform we expect students to wear standard clothing and jewellery and not high fashion items.

YEARS 12/13:

No specific uniform but a responsible standard of dress is expected. Inappropriate clothing worn to a place of work will not be accepted.
