"God is love, and he who lives in love lives in God, and God lives in him" (1 Jn 4:16)

Our mission is to provide an excellent Catholic education for all our students which enables them to respond to the call of Christ throughout their lives. Caritas – the love which is God – is the gold thread running through everything we do. We welcome and accept all our students and staff as unique individuals created in the image of God. We treat one another with kindness and respect. We are a community of Caritas where everyone feels safe, supported and inspired to make a difference in our local, national and global communities. We strive for the highest quality of learning and teaching that inspires us all to discover and develop our God-given gifts and talents, to excel in the present and aim high in the future.

*Our three Newman values are;
Caritas – I have been created for a specific purpose
Excellence – I always aim for my personal best
Together – I am a link in a chain*

Our commitment to the care of our most disadvantaged students is core to our Catholic mission of what Pope Francis calls the preferential option of the poor.

LETTINGS POLICY & TARIFF

Date for Review: 12 June 2024

By: Resources Committee

Key Points and Summary

- 1) Cardinal Newman aims to ensure the use of the school's facilities to the fullest potential. It is intended that the premises and sports facilities are available firstly, for the benefit of our learners and secondly for the local community consequently providing the school with financial income.
- 2) This policy aims:
 - To ensure that lettings are not in conflict with the fundamental purpose of the school.
 - To support community involvement in the life of the school.
 - To support the community in sporting, cultural and educational pursuits.
 - To be consistent with the school's equal opportunities policy.
 - To maximise the commercial opportunity for lettings.
 - To ensure costs are calculated and covered.
 - To provide a professional service to users of the school premises and ensure good customer care.
 - To monitor the maintenance of the high standards of the premises and grounds.
- 3) The emphasis is to ensure that staff are aware of their responsibilities and hirers' compliance with health and safety and insurance requirements. The school's safeguarding & child protection policy should be adhered to including the school's right to terminate the lettings agreement if it believes the booking is being used for the purposes of radicalisation.

Responsibilities

Overall responsibility for school lettings is held by the Governing Body who monitor the policy through the Resources Committee. The Principal has responsibility to ensure adherence to the policy and practical responsibility for the policy is initially delegated to the Business Manager in liaison with the Site Manager. The Finance Department are responsible for raising invoices on a monthly/half termly basis and keeping track of payments due. The Site Manager is responsible for keeping a diary of all lets and ensures there are duty site staff to cover lets. Also, to organise cleaners when necessary.

Charges

All charges to be reviewed by the Resources Committee annually and set at a commercially viable rate. **See Appendix A.** Any concessions will be considered by the Principal/Business Manager.

Bookings

Bookings for the facilities arise by direct contact with the school. The school & other current hirers are given priority. Other considerations include the type of let, site staff availability, the number of other lettings coinciding and the suitability of our accommodation. The final decision regarding agreement to hire rests with the Governing Body. In the event of a hirer being dissatisfied with the facilities or service the Business Manager should be contacted in the first instance.
