

Exams Department **Information**

The successful applicant will join the busy exams department, which provides support to our school and college students as they undertake pre-public and public examinations. The exams department is run by our two exams officers and has a large team of invigilators who manage the running of our exam rooms.

Successful applicants will support the successful running of exams, ensuring that all JCQ regulations are adhered to, while enabling our students to perform to the best of their ability.

It's a great team and we look forward to discussing the opportunity to join us.
