

**Exam Results 2018**

## Key Performance Measures

**Progress.** The key measure is Value Added (L3VA) for academic and applied general qualifications, and for Tech Levels and Technical Certificates at Level 2 it is completion and attainment level.

**Attainment.** For Academic, Applied General, Tech Level and Technical Certificates (at L2) the key measure is the average point score (APS) per entry expressed as a grade and points. The average point score per student measure has been removed.

**Retention.** The key measure is the % of students who complete their core aim which is calculated at end of key stage 5.

Three supporting pieces of information are used:

- L3 students returning in year 13
- Students who are retained but not assessed
- Students transferring onto lower level aims

**Destinations.** The key measure is the % of young people in sustained education, employment and/or training

**English and maths retakes.** The % of students passing at a grade 4 or above.

## **Headline Figures:**
